Communication and Multimedia Designer
(with a soft spot for science) and a particular
interest in editorial, web, and motion.
Off-screen, I enjoy painting, photography,
and crocheting... (I also like to call them ways
to keep my hands busy when InDesign decides
to crash).

If it involves creativity, science, and a
challenge, count me in!

Education

2021 — 2023
12th Grade
Languages and Humanities
